GIANCARLO BOSIO E CENTRO RICERCHE GIORGETTI 2014/2019

Serie di lampade da sospensione con la struttura del tubo, equipaggiato con sorgente LED del diametro di 25 mm, rivestita con impiallacciatura di noce canaletto in finitura naturale, resa flessibile grazie a uno speciale trattamento, oppure rivestita in cuoio nelle diverse tonalità di colore disponibili a catalogo. Il rosone è in metallo verniciato bianco o nero e dispone di un fermacavo per la regolazione in altezza di ogni singola lampada. Molteplici le possibili installazioni per un'illuminazione puntuale o a configurazione multipla.

*A series of suspended lamps with the structure of the tube, equipped with LED light sources of 25 mm diameter, covered either with walnut canaletto veneer in natural finish, made it flexible thanks to a special process, or with saddle leather in different tonalities of colour available in the catalogue. The ceiling rose is in metal varnished with white or black colour and it has a cable tie to adjust the height of each lamp. Many possible installations for spot lighting or multiple configurations.*
